§ 6701. Operation of State law

(a) State regulation of the business of insurance

The Act entitled “An Act to express the intent of Congress with reference to the regulation of the business of insurance” and approved March 9, 1945 (15 U.S.C. 1011 et seq.) (commonly referred to as the “McCarran-Ferguson Act”) remains the law of the United States.

(b) Mandatory insurance licensing requirements

No person shall engage in the business of insurance in a State as principal or agent unless such person is licensed as required by the appropriate insurance regulator of such State in accordance with the relevant State insurance law, subject to subsections (c), (d), and (e) of this section.

(c) Affiliations

(1) In general

Except as provided in paragraph (2), no State may, by statute, regulation, order, interpretation, or other action, prevent or restrict a depository institution, or an affiliate thereof, from being affiliated directly or indirectly or associated with any person, as authorized or permitted by this Act or any other provision of Federal law.

(2) Insurance

With respect to affiliations between depository institutions, or any affiliate thereof, and any insurer, paragraph (1) does not prohibit—

(A) any State from—

(i) collecting, reviewing, and taking actions (including approval and disapproval) on applications and other documents or reports concerning any proposed acquisition of, or a change or continuation of control of, an insurer domiciled in that State; and

(ii) exercising authority granted under applicable State law to collect information concerning any proposed acquisition of, or a change or continuation of control of, an insurer engaged in the business of insurance in, and regulated as an insurer by, such State;

during the 60-day period preceding the effective date of the acquisition or change or continuation of control, so long as the collecting, reviewing, taking actions, or exercising authority by the State does not have the effect of discriminating, intentionally or unintentionally, against a depository institution or an affiliate thereof, or against any other

person based upon an association of such person with a depository institution;

(B) any State from requiring any person that is acquiring control of an insurer domiciled in that State to maintain or restore the capital requirements of that insurer to the level required under the capital regulations of general applicability in that State to avoid the requirement of preparing and filing with the insurance regulatory authority of that State a plan to increase the capital of the insurer, except that any determination by the State insurance regulatory authority with respect to such requirement shall be made not later than 60 days after the date of notification under subparagraph (A); or

(C) any State from restricting a change in the ownership of stock in an insurer, or a company formed for the purpose of controlling such insurer, after the conversion of the insurer from mutual to stock form so long as such restriction does not have the effect of discriminating, intentionally or unintentionally, against a depository institution or an affiliate thereof, or against any other person based upon an association of such person with a depository institution.

(d) Activities

(1) In general

Except as provided in paragraph (3), and except with respect to insurance sales, solicitation, and cross marketing activities, which shall be governed by paragraph (2), no State may, by statute, regulation, order, interpretation, or other action, prevent or restrict a depository institution or an affiliate thereof from engaging directly or indirectly, either by itself or in conjunction with an affiliate, or any other person, in any activity authorized or permitted under this Act and the amendments made by this Act.

(2) Insurance sales

(A) In general

In accordance with the legal standards for preemption set forth in the decision of the Supreme Court of the United States in *Barnett Bank of Marion County N.A. v. Nelson*, 517 U.S. 25 (1996), no State may, by statute, regulation, order, interpretation, or other action, prevent or significantly interfere with the ability of a depository institution, or an affiliate thereof, to engage, directly or indirectly, either by itself or in conjunction with an affiliate or any other person, in any insurance sales, solicitation, or crossmarketing activity.

(B) Certain State laws preserved

Notwithstanding subparagraph (A), a State may impose any of the following restrictions, or restrictions that are substantially the same as but no more burdensome or restrictive than those in each of the following clauses:

- (i) Restrictions prohibiting the rejection of an insurance policy by a depository institution or an affiliate of a depository institution, solely because the policy has

been issued or underwritten by any person who is not associated with such depository institution or affiliate when the insurance is required in connection with a loan or extension of credit.

(ii) Restrictions prohibiting a requirement for any debtor, insurer, or insurance agent or broker to pay a separate charge in connection with the handling of insurance that is required in connection with a loan or other extension of credit or the provision of another traditional banking product by a depository institution, or any affiliate of a depository institution, unless such charge would be required when the depository institution or affiliate is the licensed insurance agent or broker providing the insurance.

(iii) Restrictions prohibiting the use of any advertisement or other insurance promotional material by a depository institution or any affiliate of a depository institution that would cause a reasonable person to believe mistakenly that—

(I) the Federal Government or a State is responsible for the insurance sales activities of, or stands behind the credit of, the institution or affiliate; or

(II) a State, or the Federal Government guarantees any returns on insurance products, or is a source of payment on any insurance obligation of or sold by the institution or affiliate;

(iv) Restrictions prohibiting the payment or receipt of any commission or brokerage fee or other valuable consideration for services as an insurance agent or broker to or by any person, unless such person holds a valid State license regarding the applicable class of insurance at the time at which the services are performed, except that, in this clause, the term “services as an insurance agent or broker” does not include a referral by an unlicensed person of a customer or potential customer to a licensed insurance agent or broker that does not include a discussion of specific insurance policy terms and conditions.

(v) Restrictions prohibiting any compensation paid to or received by any individual who is not licensed to sell insurance, for the referral of a customer that seeks to purchase, or seeks an opinion or advice on, any insurance product to a person that sells or provides opinions or advice on such product, based on the purchase of insurance by the customer.

(vi) Restrictions prohibiting the release of the insurance information of a customer (defined as information concerning the premiums, terms, and conditions of insurance coverage, including expiration dates and rates, and insurance claims of a customer contained in the records of the depository institution or an affiliate thereof) to any person other than an officer, director, employee, agent, or affiliate of a depository institution, for the purpose of soliciting or selling insurance, without the express consent of the customer, other than a provision that prohibits—

(I) a transfer of insurance information to an unaffiliated insurer in connection with transferring insurance in force on existing insureds of the depository institution or an affiliate thereof, or in connection with a merger with or acquisition of an unaffiliated insurer; or

(II) the release of information as otherwise authorized by State or Federal law.

(vii) Restrictions prohibiting the use of health information obtained from the insurance records of a customer for any purpose, other than for its activities as a licensed agent or broker, without the express consent of the customer.

(viii) Restrictions prohibiting the extension of credit or any product or service that is equivalent to an extension of credit, lease or sale of property of any kind, or furnishing of any services or fixing or varying the consideration for any of the foregoing, on the condition or requirement that the customer obtain insurance from a depository institution or an affiliate of a depository institution, or a particular insurer, agent, or broker, other than a prohibition that would prevent any such depository institution or affiliate—

(I) from engaging in any activity described in this clause that would not violate section 106 of the Bank Holding Company Act Amendments of 1970 [12 U.S.C. 1971 et seq.], as interpreted by the Board of Governors of the Federal Reserve System; or

(II) from informing a customer or prospective customer that insurance is required in order to obtain a loan or credit, that loan or credit approval is contingent upon the procurement by the customer of acceptable insurance, or that insurance is available from the depository institution or an affiliate of the depository institution.

(ix) Restrictions requiring, when an application by a consumer for a loan or other extension of credit from a depository institution is pending, and insurance is offered or sold to the consumer or is required in connection with the loan or extension of credit by the depository institution or any affiliate thereof, that a written disclosure be provided to the consumer or prospective customer indicating that the customer's choice of an insurance provider will not affect the credit decision or credit terms in any way, except that the depository institution may impose reasonable requirements concerning the creditworthiness of the insurer and scope of coverage chosen.

(x) Restrictions requiring clear and conspicuous disclosure, in writing, where practicable, to the customer prior to the sale of any insurance policy that such policy—

(I) is not a deposit;

(II) is not insured by the Federal Deposit Insurance Corporation;

(III) is not guaranteed by any depository institution or, if appropriate, an af-

filiate of any such institution or any person soliciting the purchase of or selling insurance on the premises thereof; and

(IV) where appropriate, involves investment risk, including potential loss of principal.

(xi) Restrictions requiring that, when a customer obtains insurance (other than credit insurance or flood insurance) and credit from a depository institution, or any affiliate of such institution, or any person soliciting the purchase of or selling insurance on the premises thereof, the credit and insurance transactions be completed through separate documents.

(xii) Restrictions prohibiting, when a customer obtains insurance (other than credit insurance or flood insurance) and credit from a depository institution or an affiliate of such institution, or any person soliciting the purchase of or selling insurance on the premises thereof, inclusion of the expense of insurance premiums in the primary credit transaction without the express written consent of the customer.

(xiii) Restrictions requiring maintenance of separate and distinct books and records relating to insurance transactions, including all files relating to and reflecting consumer complaints, and requiring that such insurance books and records be made available to the appropriate State insurance regulator for inspection upon reasonable notice.

(C) Limitations

(i) OCC deference

Section 6714(e) of this title does not apply with respect to any State statute, regulation, order, interpretation, or other action regarding insurance sales, solicitation, or cross marketing activities described in subparagraph (A) that was issued, adopted, or enacted before September 3, 1998, and that is not described in subparagraph (B).

(ii) Nondiscrimination

Subsection (e) of this section does not apply with respect to any State statute, regulation, order, interpretation, or other action regarding insurance sales, solicitation, or cross marketing activities described in subparagraph (A) that was issued, adopted, or enacted before September 3, 1998, and that is not described in subparagraph (B).

(iii) Construction

Nothing in this paragraph shall be construed—

(I) to limit the applicability of the decision of the Supreme Court in *Barnett Bank of Marion County N.A. v. Nelson*, 517 U.S. 25 (1996) with respect to any State statute, regulation, order, interpretation, or other action that is not referred to or described in subparagraph (B); or

(II) to create any inference with respect to any State statute, regulation,

order, interpretation, or other action that is not described in this paragraph.

(3) Insurance activities other than sales

State statutes, regulations, interpretations, orders, and other actions shall not be preempted under paragraph (1) to the extent that they—

(A) relate to, or are issued, adopted, or enacted for the purpose of regulating the business of insurance in accordance with the Act entitled “An Act to express the intent of Congress with reference to the regulation of the business of insurance” and approved March 9, 1945 (15 U.S.C. 1011 et seq.) (commonly referred to as the “McCarran-Ferguson Act”);

(B) apply only to persons that are not depository institutions, but that are directly engaged in the business of insurance (except that they may apply to depository institutions engaged in providing savings bank life insurance as principal to the extent of regulating such insurance);

(C) do not relate to or directly or indirectly regulate insurance sales, solicitations, or cross marketing activities; and

(D) are not prohibited under subsection (e) of this section.

(4) Financial activities other than insurance

No State statute, regulation, order, interpretation, or other action shall be preempted under paragraph (1) to the extent that—

(A) it does not relate to, and is not issued and adopted, or enacted for the purpose of regulating, directly or indirectly, insurance sales, solicitations, or cross marketing activities covered under paragraph (2);

(B) it does not relate to, and is not issued and adopted, or enacted for the purpose of regulating, directly or indirectly, the business of insurance activities other than sales, solicitations, or cross marketing activities, covered under paragraph (3);

(C) it does not relate to securities investigations or enforcement actions referred to in subsection (f) of this section; and

(D) it—

(i) does not distinguish by its terms between depository institutions, and affiliates thereof, engaged in the activity at issue and other persons engaged in the same activity in a manner that is in any way adverse with respect to the conduct of the activity by any such depository institution or affiliate engaged in the activity at issue;

(ii) as interpreted or applied, does not have, and will not have, an impact on depository institutions, or affiliates thereof, engaged in the activity at issue, or any person who has an association with any such depository institution or affiliate, that is substantially more adverse than its impact on other persons engaged in the same activity that are not depository institutions or affiliates thereof, or persons who do not have an association with any such depository institution or affiliate;

(iii) does not effectively prevent a depository institution or affiliate thereof from

engaging in activities authorized or permitted by this Act or any other provision of Federal law; and

(iv) does not conflict with the intent of this Act generally to permit affiliations that are authorized or permitted by Federal law.

(e) Nondiscrimination

Except as provided in any restrictions described in subsection (d)(2)(B) of this section, no State may, by statute, regulation, order, interpretation, or other action, regulate the insurance activities authorized or permitted under this Act or any other provision of Federal law of a depository institution, or affiliate thereof, to the extent that such statute, regulation, order, interpretation, or other action—

(1) distinguishes by its terms between depository institutions, or affiliates thereof, and other persons engaged in such activities, in a manner that is in any way adverse to any such depository institution, or affiliate thereof;

(2) as interpreted or applied, has or will have an impact on depository institutions, or affiliates thereof, that is substantially more adverse than its impact on other persons providing the same products or services or engaged in the same activities that are not depository institutions, or affiliates thereof, or persons or entities affiliated therewith;

(3) effectively prevents a depository institution, or affiliate thereof, from engaging in insurance activities authorized or permitted by this Act or any other provision of Federal law; or

(4) conflicts with the intent of this Act generally to permit affiliations that are authorized or permitted by Federal law between depository institutions, or affiliates thereof, and persons engaged in the business of insurance.

(f) Limitation

Subsections (c) and (d) of this section shall not be construed to affect—

(1) the jurisdiction of the securities commission (or any agency or office performing like functions) of any State, under the laws of such State—

(A) to investigate and bring enforcement actions, consistent with section 77r(c) of this title, with respect to fraud or deceit or unlawful conduct by any person, in connection with securities or securities transactions; or

(B) to require the registration of securities or the licensure or registration of brokers, dealers, or investment advisers (consistent with section 80b-3a of this title), or the associated persons of a broker, dealer, or investment adviser (consistent with such section 80b-3a of this title); or

(2) State laws, regulations, orders, interpretations, or other actions of general applicability relating to the governance of corporations, partnerships, limited liability companies, or other business associations incorporated or formed under the laws of that State or domiciled in that State, or the applicability of the antitrust laws of any State or any State law that is similar to the antitrust laws if such laws, regulations, orders, interpretations, or

other actions are not inconsistent with the purposes of this Act to authorize or permit certain affiliations and to remove barriers to such affiliations.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 6711, 6713, 6715, 6805 of this title; title 12 section 1844.

SUBCHAPTER I—STATE REGULATION OF
INSURANCE

§ 6711. Functional regulation of insurance

The insurance activities of any person (including a national bank exercising its power to act as agent under section 92 of title 12) shall be functionally regulated by the States, subject to section 6701 of this title.

(Pub. L. 106–102, title III, § 301, Nov. 12, 1999, 113 Stat. 1407.)

§ 6712. Insurance underwriting in national banks

(a) In general

Except as provided in section 6713 of this title, a national bank and the subsidiaries of a national bank may not provide insurance in a State as principal except that this prohibition shall not apply to authorized products.

(b) Authorized products

For the purposes of this section, a product is authorized if—

(1) as of January 1, 1999, the Comptroller of the Currency had determined in writing that national banks may provide such product as principal, or national banks were in fact lawfully providing such product as principal;

(2) no court of relevant jurisdiction had, by final judgment, overturned a determination of the Comptroller of the Currency that national banks may provide such product as principal; and

(3) the product is not title insurance, or an annuity contract the income of which is subject to tax treatment under section 72 of title 26.

(c) Definition

For purposes of this section, the term “insurance” means—

(1) any product regulated as insurance as of January 1, 1999, in accordance with the relevant State insurance law, in the State in which the product is provided;

(2) any product first offered after January 1, 1999, which—

(A) a State insurance regulator determines shall be regulated as insurance in the State in which the product is provided because the product insures, guarantees, or indemnifies against liability, loss of life, loss of health, or loss through damage to or destruction of property, including, but not limited to, surety bonds, life insurance, health insurance, title insurance, and property and casualty insurance (such as private passenger or commercial automobile, homeowners, mortgage, commercial multiperil, general liability, professional liability, workers’ compensation, fire and allied lines, farm owners multiperil, aircraft, fidelity, surety, medical malpractice, ocean marine, inland marine, and boiler and machinery insurance); and

(B) is not a product or service of a bank that is—

- (i) a deposit product;
- (ii) a loan, discount, letter of credit, or other extension of credit;
- (iii) a trust or other fiduciary service;

(iv) a qualified financial contract (as defined in or determined pursuant to section 1821(e)(8)(D)(i) of title 12); or

(v) a financial guaranty, except that this subparagraph (B) shall not apply to a product that includes an insurance component such that if the product is offered or proposed to be offered by the bank as principal—

(I) it would be treated as a life insurance contract under section 7702 of title 26; or

(II) in the event that the product is not a letter of credit or other similar extension of credit, a qualified financial contract, or a financial guaranty, it would qualify for treatment for losses incurred with respect to such product under section 832(b)(5) of title 26, if the bank were subject to tax as an insurance company under section 831 of that title; or

(3) any annuity contract, the income on which is subject to tax treatment under section 72 of title 26.

(d) Rule of construction

For purposes of this section, providing insurance (including reinsurance) outside the United States that insures, guarantees, or indemnifies insurance products provided in a State, or that indemnifies an insurance company with regard to insurance products provided in a State, shall be considered to be providing insurance as principal in that State.

(Pub. L. 106–102, title III, § 302, Nov. 12, 1999, 113 Stat. 1407.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in title 12 section 24a.

§ 6713. Title insurance activities of national banks and their affiliates

(a) General prohibition

No national bank may engage in any activity involving the underwriting or sale of title insurance.

(b) Nondiscrimination parity exception

(1) In general

Notwithstanding any other provision of law (including section 6701 of this title), in the case of any State in which banks organized under the laws of such State are authorized to sell title insurance as agent, a national bank may sell title insurance as agent in such State, but only in the same manner, to the same extent, and under the same restrictions as such State banks are authorized to sell title insurance as agent in such State.

(2) Coordination with “wildcard” provision

A State law which authorizes State banks to engage in any activities in such State in which a national bank may engage shall not be treated as a statute which authorizes State banks to sell title insurance as agent, for purposes of paragraph (1).

(c) Grandfathering with consistent regulation

(1) In general

Except as provided in paragraphs (2) and (3) and notwithstanding subsections (a) and (b) of

this section, a national bank, and a subsidiary of a national bank, may conduct title insurance activities which such national bank or subsidiary was actively and lawfully conducting before November 12, 1999.

(2) Insurance affiliate

In the case of a national bank which has an affiliate which provides insurance as principal and is not a subsidiary of the bank, the national bank and any subsidiary of the national bank may not engage in the underwriting of title insurance pursuant to paragraph (1).

(3) Insurance subsidiary

In the case of a national bank which has a subsidiary which provides insurance as principal and has no affiliate other than a subsidiary which provides insurance as principal, the national bank may not directly engage in any activity involving the underwriting of title insurance.

(d) “Affiliate” and “subsidiary” defined

For purposes of this section, the terms “affiliate” and “subsidiary” have the same meanings as in section 1841 of title 12.

(e) Rule of construction

No provision of this Act or any other Federal law shall be construed as superseding or affecting a State law which was in effect before November 12, 1999, and which prohibits title insurance from being offered, provided, or sold in such State, or from being underwritten with respect to real property in such State, by any person whatsoever.

§ 6714. Expedited and equalized dispute resolution for Federal regulators

(a) Filing in Court of Appeals

In the case of a regulatory conflict between a State insurance regulator and a Federal regulator regarding insurance issues, including whether a State law, rule, regulation, order, or interpretation regarding any insurance sales or solicitation activity is properly treated as preempted under Federal law, the Federal or State regulator may seek expedited judicial review of such determination by the United States Court of Appeals for the circuit in which the State is located or in the United States Court of Appeals for the District of Columbia Circuit by filing a petition for review in such court.

(b) Expedited review

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 6701 of this title.

§ 6715. Certain State affiliation laws preempted for insurance companies and affiliates

Except as provided in section 6701(c)(2) of this title, no State may, by law, regulation, order, interpretation, or otherwise—

(1) prevent or significantly interfere with the ability of any insurer, or any affiliate of an insurer (whether such affiliate is organized as a stock company, mutual holding company, or otherwise), to become a financial holding company or to acquire control of a depository institution;

(2) limit the amount of an insurer's assets that may be invested in the voting securities of a depository institution (or any company which controls such institution), except that the laws of an insurer's State of domicile may limit the amount of such investment to an amount that is not less than 5 percent of the insurer's admitted assets; or

(3) prevent, significantly interfere with, or have the authority to review, approve, or disapprove a plan of reorganization by which an insurer proposes to reorganize from mutual form to become a stock insurer (whether as a direct or indirect subsidiary of a mutual holding company or otherwise) unless such State is the State of domicile of the insurer.

(Pub. L. 106-102, title III, §306, Nov. 12, 1999, 113 Stat. 1415.)

§ 6716. Interagency consultation

(a) Purpose

It is the intention of the Congress that the Board of Governors of the Federal Reserve System, as the umbrella supervisor for financial holding companies, and the State insurance regulators, as the functional regulators of companies engaged in insurance activities, coordinate efforts to supervise companies that control both a depository institution and a company engaged in insurance activities regulated under State law. In particular, Congress believes that the Board and the State insurance regulators should share, on a confidential basis, information relevant to the supervision of companies that control both a depository institution and a company engaged in insurance activities, including information regarding the financial health of the consolidated organization and information regarding transactions and relationships between insurance companies and affiliated depository institutions. The appropriate Federal banking agencies for depository institutions should also share, on a confidential basis, information with the relevant State insurance regulators regarding transactions and relationships between depository institutions and affiliated companies engaged in insurance activities. The purpose of this section is to encourage this coordination and confidential sharing of information, and to thereby improve both the efficiency and the quality of the supervision of financial holding companies and their affiliated depository institutions and companies engaged in insurance activities.

(b) Examination results and other information

(1) Information of the Board

Upon the request of the appropriate insurance regulator of any State, the Board may provide any information of the Board regarding the financial condition, risk management policies, and operations of any financial holding company that controls a company that is engaged in insurance activities and is regulated by such State insurance regulator, and regarding any transaction or relationship between such an insurance company and any affiliated depository institution. The Board may provide any other information to the appropriate State insurance regulator that the Board believes is necessary or appropriate to permit the State insurance regulator to administer and enforce applicable State insurance laws.

(2) Banking agency information

Upon the request of the appropriate insurance regulator of any State, the appropriate Federal banking agency may provide any information of the agency regarding any transaction or relationship between a depository institution supervised by such Federal banking agency and any affiliated company that is engaged in insurance activities regulated by such State insurance regulator. The appropriate Federal banking agency may provide any other information to the appropriate

State insurance regulator that the agency believes is necessary or appropriate to permit the State insurance regulator to administer and enforce applicable State insurance laws.

(3) State insurance regulator information

Upon the request of the Board or the appropriate Federal banking agency, a State insurance regulator may provide any examination or other reports, records, or other information to which such insurance regulator may have access with respect to a company which—

(A) is engaged in insurance activities and regulated by such insurance regulator; and

(B) is an affiliate of a depository institution or financial holding company.

(c) Consultation

Before making any determination relating to the initial affiliation of, or the continuing affiliation of, a depository institution or financial holding company with a company engaged in insurance activities, the appropriate Federal banking agency shall consult with the appropriate State insurance regulator of such company and take the views of such insurance regulator into account in making such determination.

(d) Effect on other authority

Nothing in this section shall limit in any respect the authority of the appropriate Federal banking agency with respect to a depository institution or bank holding company or any affiliate thereof under any provision of law.

(e) Confidentiality and privilege

(1) Confidentiality

The appropriate Federal banking agency shall not provide any information or material that is entitled to confidential treatment under applicable Federal banking agency regulations, or other applicable law, to a State insurance regulator unless such regulator agrees to maintain the information or material in confidence and to take all reasonable steps to oppose any effort to secure disclosure of the information or material by the regulator. The appropriate Federal banking agency shall treat as confidential any information or material obtained from a State insurance regulator that is entitled to confidential treatment under applicable State regulations, or other applicable law, and take all reasonable steps to oppose any effort to secure disclosure of the information or material by the Federal banking agency.

(2) Privilege

The provision pursuant to this section of information or material by a Federal banking agency or State insurance regulator shall not constitute a waiver of, or otherwise affect, any privilege to which the information or material is otherwise subject.

§ 6732. Redomestication of mutual insurers**(a) Redomestication**

A mutual insurer organized under the laws of any State may transfer its domicile to a transferee domicile as a step in a reorganization in which, pursuant to the laws of the transferee domicile and consistent with the standards in subsection (f) of this section, the mutual insurer becomes a stock insurer that is a direct or indirect subsidiary of a mutual holding company.

(b) Resulting domicile

Upon complying with the applicable law of the transferee domicile governing transfers of domicile and completion of a transfer pursuant to this section, the mutual insurer shall cease to be a domestic insurer in the transferor domicile and, as a continuation of its corporate exist-

ence, shall be a domestic insurer of the transferee domicile.

(c) Licenses preserved

The certificate of authority, agents’ appointments and licenses, rates, approvals and other items that a licensed State allows and that are in existence immediately prior to the date that a redomesticating insurer transfers its domicile pursuant to this subchapter shall continue in full force and effect upon transfer, if the insurer remains duly qualified to transact the business of insurance in such licensed State.

(d) Effectiveness of outstanding policies and contracts**(1) In general**

All outstanding insurance policies and annuities contracts of a redomesticating insurer shall remain in full force and effect and need not be endorsed as to the new domicile of the insurer, unless so ordered by the State insurance regulator of a licensed State, and then only in the case of outstanding policies and contracts whose owners reside in such licensed State.

(2) Forms

(A) Applicable State law may require a redomesticating insurer to file new policy forms with the State insurance regulator of a licensed State on or before the effective date of the transfer.

(B) Notwithstanding subparagraph (A), a redomesticating insurer may use existing policy forms with appropriate endorsements to reflect the new domicile of the redomesticating insurer until the new policy forms are approved for use by the State insurance regulator of such licensed State.

(e) Notice

A redomesticating insurer shall give notice of the proposed transfer to the State insurance regulator of each licensed State and shall file promptly any resulting amendments to corporate documents required to be filed by a foreign licensed mutual insurer with the insurance regulator of each such licensed State.

(f) Procedural requirements

No mutual insurer may redomesticate to another State and reorganize into a mutual holding company pursuant to this section unless the State insurance regulator of the transferee domicile determines that the plan of reorganization of the insurer includes the following requirements:

(1) Approval by board of directors and policyholders

The reorganization is approved by at least a majority of the board of directors of the mutual insurer and at least a majority of the policyholders who vote after notice, disclosure of the reorganization and the effects of the transaction on policyholder contractual rights, and reasonable opportunity to vote, in accordance with such notice, disclosure, and voting procedures as are approved by the State insurance regulator of the transferee domicile.

(2) Continued voting control by policyholders; review of public stock offering

After the consummation of a reorganization, the policyholders of the reorganized insurer shall have the same voting rights with respect to the mutual holding company as they had before the reorganization with respect to the mutual insurer. With respect to an initial public offering of stock, the offering shall be conducted in compliance with applicable securities laws and in a manner approved by the State insurance regulator of the transferee domicile.

(3) Award of stock or grant of options to officers and directors

During the applicable period provided for under the State law of the transferee domicile following completion of an initial public offering, or for a period of six months if no such applicable period is provided, neither a stock holding company nor the converted insurer shall award any stock options or stock grants to persons who are elected officers or directors of the mutual holding company, the stock holding company, or the converted insurer, except with respect to any such awards or options to which a person is entitled as a policyholder and as approved by the State insurance regulator of the transferee domicile.

(4) Policyholder rights

Upon reorganization into a mutual holding company, the contractual rights of the policyholders are preserved.

(5) Fair and equitable treatment of policyholders

The reorganization is approved as fair and equitable to the policyholders by the insurance regulator of the transferee domicile.

(Pub. L. 106-102, title III, §312, Nov. 12, 1999, 113 Stat. 1417.)

§ 6733. Effect on State laws restricting redomestication

(a) In general

Unless otherwise permitted by this subchapter, State laws of any transferor domicile that conflict with the purposes and intent of this subchapter are preempted, including but not limited to—

(1) any law that has the purpose or effect of impeding the activities of, taking any action against, or applying any provision of law or regulation to, any insurer or an affiliate of such insurer because that insurer or any affiliate plans to redomesticate, or has redomesticated, pursuant to this subchapter;

(2) any law that has the purpose or effect of impeding the activities of, taking action against, or applying any provision of law or regulation to, any insured or any insurance licensee or other intermediary because such person has procured insurance from or placed insurance with any insurer or affiliate of such insurer that plans to redomesticate, or has redomesticated, pursuant to this subchapter, but only to the extent that such law would treat such insured licensee or other intermediary differently than if the person procured insur-

ance from, or placed insurance with, an insured licensee or other intermediary which had not redomesticated; and

(3) any law that has the purpose or effect of terminating, because of the redomestication of a mutual insurer pursuant to this subchapter, any certificate of authority, agent appointment or license, rate approval, or other approval, of any State insurance regulator or other State authority in existence immediately prior to the redomestication in any State other than the transferee domicile.

(b) Differential treatment prohibited

No State law, regulation, interpretation, or functional equivalent thereof, of a State other than a transferee domicile may treat a redomesticating or redomesticated insurer or any affiliate thereof any differently than an insurer operating in that State that is not a redomesticating or redomesticated insurer.

(c) Laws prohibiting operations

If any licensed State fails to issue, delays the issuance of, or seeks to revoke an original or renewal certificate of authority of a redomesticated insurer promptly following redomestication, except on grounds and in a manner consistent with its past practices regarding the issuance of certificates of authority to foreign insurers that are not redomesticating, then the redomesticating insurer shall be exempt from any State law of the licensed State to the extent that such State law or the operation of such State law would make unlawful, or regulate, directly or indirectly, the operation of the redomesticated insurer, except that such licensed State may require the redomesticated insurer to—

(1) comply with the unfair claim settlement practices law of the licensed State;

(2) pay, on a nondiscriminatory basis, applicable premium and other taxes which are levied on licensed insurers or policyholders under the laws of the licensed State;

(3) register with and designate the State insurance regulator as its agent solely for the purpose of receiving service of legal documents or process;

(4) submit to an examination by the State insurance regulator in any licensed State in which the redomesticated insurer is doing business to determine the insurer's financial condition, if—

(A) the State insurance regulator of the transferee domicile has not begun an examination of the redomesticated insurer and has not scheduled such an examination to begin before the end of the 1-year period beginning on the date of the redomestication; and

(B) any such examination is coordinated to avoid unjustified duplication and repetition;

(5) comply with a lawful order issued in—

(A) a delinquency proceeding commenced by the State insurance regulator of any licensed State if there has been a judicial finding of financial impairment under paragraph (7); or

(B) a voluntary dissolution proceeding;

(6) comply with any State law regarding deceptive, false, or fraudulent acts or practices,

except that if the licensed State seeks an injunction regarding the conduct described in this paragraph, such injunction must be obtained from a court of competent jurisdiction as provided in section 6734(a) of this title;

(7) comply with an injunction issued by a court of competent jurisdiction, upon a petition by the State insurance regulator alleging that the redomesticating insurer is in hazardous financial condition or is financially impaired;

(8) participate in any insurance insolvency guaranty association on the same basis as any other insurer licensed in the licensed State; and

(9) require a person acting, or offering to act, as an insurance licensee for a redomesticated insurer in the licensed State to obtain a license from that State, except that such State may not impose any qualification or requirement that discriminates against a non-resident insurance licensee.

(Pub. L. 106-102, title III, §313, Nov. 12, 1999, 113 Stat. 1419.)

§ 6734. Other provisions

(a) Judicial review

The appropriate United States district court shall have exclusive jurisdiction over litigation arising under this section¹ involving any redomesticating or redomesticated insurer.

(b) Severability

If any provision of this section,¹ or the application thereof to any person or circumstances, is held invalid, the remainder of the section,¹ and the application of such provision to other persons or circumstances, shall not be affected thereby.

SUBCHAPTER III—NATIONAL ASSOCIATION
OF REGISTERED AGENTS AND BROKERS

§ 6751. State flexibility in multistate licensing reforms

(a) In general

The provisions of this subchapter shall take effect unless, not later than 3 years after November 12, 1999, at least a majority of the States—

- (1) have enacted uniform laws and regulations governing the licensure of individuals and entities authorized to sell and solicit the purchase of insurance within the State; or
- (2) have enacted reciprocity laws and regulations governing the licensure of nonresident individuals and entities authorized to sell and solicit insurance within those States.

(b) Uniformity required

States shall be deemed to have established the uniformity necessary to satisfy subsection (a)(1) of this section if the States—

- (1) establish uniform criteria regarding the integrity, personal qualifications, education, training, and experience of licensed insurance producers, including the qualification and training of sales personnel in ascertaining the appropriateness of a particular insurance product for a prospective customer;
- (2) establish uniform continuing education requirements for licensed insurance producers;
- (3) establish uniform ethics course requirements for licensed insurance producers in conjunction with the continuing education requirements under paragraph (2);
- (4) establish uniform criteria to ensure that an insurance product, including any annuity contract, sold to a consumer is suitable and appropriate for the consumer based on financial information disclosed by the consumer; and
- (5) do not impose any requirement upon any insurance producer to be licensed or otherwise qualified to do business as a nonresident that has the effect of limiting or conditioning that producer's activities because of its residence or place of operations, except that countersignature requirements imposed on nonresident producers shall not be deemed to have the effect of limiting or conditioning a producer's activities because of its residence or place of operations under this section.

(c) Reciprocity required

States shall be deemed to have established the reciprocity required to satisfy subsection (a)(2) of this section if the following conditions are met:

(1) Administrative licensing procedures

At least a majority of the States permit a producer that has a resident license for selling or soliciting the purchase of insurance in its home State to receive a license to sell or solicit the purchase of insurance in such majority of States as a nonresident to the same extent that such producer is permitted to sell or solicit the purchase of insurance in its State, if the producer's home State also awards such licenses on such a reciprocal basis, without satisfying any additional requirements other than submitting—

- (A) a request for licensure;
- (B) the application for licensure that the producer submitted to its home State;
- (C) proof that the producer is licensed and in good standing in its home State; and
- (D) the payment of any requisite fee to the appropriate authority.

(2) Continuing education requirements

A majority of the States accept an insurance producer's satisfaction of its home State's continuing education requirements for licensed insurance producers to satisfy the States' own continuing education requirements if the producer's home State also recognizes the satisfaction of continuing education requirements on such a reciprocal basis.

(3) No limiting nonresident requirements

A majority of the States do not impose any requirement upon any insurance producer to be licensed or otherwise qualified to do business as a nonresident that has the effect of limiting or conditioning that producer's activities because of its residence or place of operations, except that countersignature requirements imposed on nonresident producers shall not be deemed to have the effect of limiting or conditioning a producer's activities because of its residence or place of operations under this section.

(4) Reciprocal reciprocity

(f) Savings provision

No provision of this section shall be construed as requiring that any law, regulation, provision, or action of any State which purports to regulate insurance producers, including any such law, regulation, provision, or action which purports to regulate unfair trade practices or establish consumer protections, including countersignature laws, be altered or amended in order to satisfy the uniformity or reciprocity required by subsections (b) and (c) of this section, unless any such law, regulation, provision, or action is inconsistent with a specific requirement of any such subsection and then only to the extent of such inconsistency.

(2) Ineligibility for suspension or revocation of license

Notwithstanding paragraph (1), a State-licensed insurance producer shall not be eligible to become a member if a State insurance regulator has suspended or revoked such producer's license in that State during the 3-year period preceding the date on which such producer applies for membership.

(3) Resumption of eligibility

Paragraph (2) shall cease to apply to any insurance producer if—

- (A) the State insurance regulator renews the license of such producer in the State in which the license was suspended or revoked;

The Association shall have the authority to establish membership criteria that—

(1) Classes of membership

The Association may establish separate classes of membership, with separate criteria, if the Association reasonably determines that performance of different duties requires different levels of education, training, or experience.

(2) Categories

The Association may establish separate categories of membership for individuals and for other persons. The establishment of any such

categories of membership shall be based either on the types of licensing categories that exist under State laws or on the aggregate amount of business handled by an insurance producer. (h) Suspension and revocation

The Association may—

(1) inspect and examine the records and offices of the members of the Association to determine compliance with the criteria for membership established by the Association; and

(2) suspend or revoke the membership of an insurance producer if—

(A) the producer fails to meet the applicable membership criteria of the Association; or

(B) the producer has been subject to disciplinary action pursuant to a final adjudicatory proceeding under the jurisdiction of a State insurance regulator, and the Association concludes that retention of membership in the Association would not be in the public interest.

(i) Office of consumer complaints

(1) In general

The Association shall establish an office of consumer complaints that shall—

(A) receive and investigate complaints from both consumers and State insurance regulators related to members of the Association; and

(B) recommend to the Association any disciplinary actions that the office considers appropriate, to the extent that any such recommendation is not inconsistent with State law.

(2) Records and referrals

The office of consumer complaints of the Association shall—

(A) maintain records of all complaints received in accordance with paragraph (1) and make such records available to the NAIC and to each State insurance regulator for the State of residence of the consumer who filed the complaint; and

(B) refer, when appropriate, any such complaint to any appropriate State insurance regulator.

(3) Telephone and other access

The office of consumer complaints shall maintain a toll-free telephone number for the purpose of this subsection and, as practicable, other alternative means of communication with consumers, such as an Internet home page.
